MedTOWN project **Co-producing social policies with Social Solidarity Economy actors to fight poverty, inequality and social exclusion** is funded by the European Union under the ENI CBC Med Programme, from Sept 2019 to Nov 2023. Total budget **€3,4** million, **86,5%** EU contribution.

With a total budget of 300,000 euros for funding social pilot projects, MedTOWN supported similar calls in Spain, Portugal, Jordan, Palestine & Tunisia. They were all linked to social innovation and aimed at improving the lives of people in Mediterranean countries through social & solidarity economy initiatives that generate a positive impact on communities, quality of life and future opportunities.

Co-production, a model for fair and sustainable societies
